

# Beaulieu Motors

As you might expect, the automotive heritage of Beaulieu gives rise to a plethora of exciting and unusual activities and pursuits.

A cavalcade of vintage cars await guests as they conclude their morning business session. On board are specially prepared hampers that will create the perfect spread when guests reach their lunchtime destination. Pimm's and lashings of canapés with cucumber sandwiches will set guests up for countryside capers from pony and trap driving lessons to croquet!

#### Ultimate Adrenalin

For the petrol head in need of high-octane excitement, we have the ultimate tonic: our very own "Stig" will set the pace aboard a high powered Apache grass buggy before guests take their turn at beating Stig's time! All the highs and lows will be recorded on the giant scoreboard. Adrenalin-pumping, unrestricted nerve-tingling excitement.

#### Offroad Adventure

A more technical challenge allows guests to test their driving skills on a specially designed off road driving course located on the Beaulieu Estate. Professionally qualified instructors will demonstrate basics before guests head off into the depths of the forest following detailed route maps around one of the exciting wooded courses. Guests will be graded on confidence, accuracy and speed that will all count towards the final score.

#### Team Building

For building and developing teams we have successfully developed the automotive approach. Constructors' Championship is a great all weather event that is fast paced and extremely fun with an exciting finale. From the start, each team is encouraged to communicate, work together and tap into their artistic flair by having to dress a pedal go-kart to look like something else.

Additional materials that the teams need to complete the construction may be bought from the trackside shop using 'Fun Money' that is earned by teams during the game in various ways such as successful sponsorship deals. The event ends with the teams racing against each other in their various classes. The winners from each class race each other in the grand finale.

#### Included in the cost

Tea, coffee, bacon rolls served on arrival. Exclusive use of Beaulieu's specially developed 4x4 course; Quad Biking, Apaches, and Blind fold driving; Prize giving and joke prizes. All the necessary fuel and safety equipment; professional instructors for each activity suitably dressed in the appropriate uniform; all the necessary safety equipment; soft drinks available throughout the day; complimentary loan of Henri Lloyd jackets for the day; Buffet lunch served in the Terrace Room.

Cost per person based on 40 guests:  
£215.00 + VAT
