

Company Fun Days

Beaulieu was one of the first stately homes in the country to open it's doors to visitors in 1952. Such heritage enables us to draw upon considerable experience in the design and production of Fun Day events.

Fun days provide an opportunity for employees to relax and enjoy a day full of excitement, fun and razzmatazz! For a company looking to reward and motivate its staff whilst promoting loyalty, there are an overwhelming number of choices. Here are three proven examples that we know hit the mark at Beaulieu.

A Traditional School Sports Day

"The Happiest Days of our Lives..." Or so they say! This cost-effective company fun day involves the very best highlights from our very own curriculum. Teams arrive at assembly where the register is taken – sick notes and correct uniform are inspected.

The headmaster explains the rules, rewards and punishments. Tutor groups are formed and are given their timetables for the day, incorporating a whole range of academic tasks: design & technology - manufacture bridges and catapults capable of transporting objects or simply just projecting them across the classroom! Sack race, egg-n-spoon, relay races, backwards long jump and blindfold sprint completes the curriculum.

Medieval Village Games

Timeless village fete entertainment with added enhancements. Splat the Rat; Mop in the Bucket, Stocks, Welly Wanging, Tug of War, Test Your Strength, Antiques Quiz, Horse and Carriage driving, Falconry and Gundog displays, Knights jousting, Medieval men at arms; Archery; Pony rides, Punch and Judy...

It's a Knockout Olympics

A highly entertaining, visual & fun team event full of weird & wacky games. Inspired by the famous TV show we have created a wacky arena of fun and frolics. Our Knockout event is designed to be action packed, competitive and great fun for spectator and participant alike, incorporating a melee of loud, bright and colourful activities. Our maniacal MC, and the uplifting theme music will greet guests as they enter their exclusive crazy arena. Distractions for the little ones range from mega slides; bouncy castles; face painters and balloon modellers

Included in the cost

Knockout style activities as described above; Bunted Knockout arena; Professional instructors for each challenge; Event Compère and PA system; Soft drinks available throughout the day; central control marquee; prize giving reception with medals for each team member and a team trophy.
