

Events on the Solent

Throughout the last 20 years we have been providing the very best corporate events afloat on the Solent. Located on the Beaulieu Estate, the Beaulieu River is a superb point of departure for a multitude of waterbased pursuits.

From State-of-the-Art Sunseeker Powerboats to Sports fishing cruisers, we offer a comprehensive choice of activities and adventures aboard a vast array of motor powered vessels. Our pedigree and expertise in providing the finest hospitality means that every detail is taken care of leaving clients, hosts and their guests to relax and enjoy the experience.

The sky is literally the limit: Land, Sea and Air adventure provides a widely acclaimed non-stop experience of Powerboating, 4x4 driving and airborne adventure whilst a corporate sailing regatta offers the opportunity for delegates to race in close quarters in a thrilling lineup of matched racing yachts. Our ever-popular canoe and cycle safari provides an attractive and cost effective post-conference activity along the leafy banks of the Beaulieu River. The majestic surroundings of a traditional sailing barge fits in perfectly with the maritime heritage of Buckler's Hard, located just ten minutes from the National Motor Museum. Follow in the footsteps of Nelson as guests set sail down the Beaulieu River en route to Portsmouth Naval Docks.

Cowes Week and Round the Island race both enjoy a prime corporate focus during the season and the Beaulieu River is the ideal route to the Solent, allowing the most picturesque departure by power or sail or perhaps a combination of the two.

For those dedicated corporate adventurers who are searching for hospitality with real purpose we offer a complete package of racing entry to one of the premier yachting regattas on the Solent with logistics, VIP passes, catering and accommodation all taken care of. Whilst we cannot guarantee your results, we can assure you of a professional skipper who will get you and your crew right into the heart of the action!

If it's all about power and speed then why not take advantage of our logistical expertise when it comes to all things airborne. Guests are as likely to find themselves at the controls of a Socata Training aircraft as they will be flying co-pilot aboard a Jet Ranger helicopter in a day of unrestricted flying fun. Our links with nearby airfields provide the opportunity to enjoy an unforgettable day of contrasting experiences – with views of the Solent and New Forest from a unique perspective.

Cost per person based on eight guests aboard a Sunseeker Hawk 34: £150 per person + VAT including a Leith's gourmet lunch hamper.
